

We need your consent to run a Canadian criminal record check

To the extent permitted by applicable law, I hereby consent to a search of all records and information available at the time the search is conducted, including non-conviction information, charges before the courts, findings of guilt or convictions and court orders registered in my name in the National Repository of Criminal Records, the Canadian Police Information Centre ("CPIC") database and local records available to the police service for the purposes of delivering a background screening report in relation to my application for employment with Dollarama ("Employer") through its Staffing Firm, Appyhere ("Staffing Firm"). The query may also include a search of court records and a query of records management systems in other police agencies' jurisdictions through the Police Information Portal ("PIP") or other data sharing systems.

I understand that this criminal record check is based on the name(s), date of birth and where used, the declared criminal record history provided by myself.

I certify that the information set out by me in this application is true and correct to the best of my ability. I consent to the release of the results of the criminal record check to Certn, the Employer, and the Staffing Firm. I acknowledge and agree that the Employer and the Staffing Firm may collect, use and disclose the information collected for the purposes of evaluating my suitability for employment with the Employer.

I acknowledge that if I do not consent to Certn's, the Employer's and/or the Staffing Firm's collection, use and disclosure of the information, this may result in my conditional offer of employment being void. Without a conditional offer of employment, I will not have an employment relationship with the Employer for any purposes.

I hereby release and forever discharge all members and employers of the processing police service and the Royal Canadian Mounted Police from any and all actions, claims and demands for damages, loss or injury whatsoever arising which may hereinafter be sustained by myself as a result of the disclosure of information to Certn, the Employer and the Staffing Firm.

You may request more information about the nature and scope of any criminal record checks to be conducted by contacting Certn's Privacy Officer at 1-844-987-0690 or privacy@certn.co.
