

Biometric Notice

Please review the below information before providing your consent for Intercheck Global Pty Ltd (a Certn Company) to process your Biometric Data.

“Biometric Data” is personal information resulting from specific technical processing relating to the physical, physiological or behavioral characteristics which allow or confirm the unique identification of that natural person.

Why do you need my biometric data?

We collect your Biometric Data to (i) remotely verify your identity, and (ii) prevent and combat fraud.

How does it work?

We will ask you to scan a copy of your government-issued ID and take a selfie using your mobile device or laptop. We use an AI algorithm to measure and compare certain features of your face in your ID photo to your selfie.

Who will have access to my Biometric Data?

Except where required by law, your Biometric Data is accessible only to us and our service providers who require access to Biometric Data to help us provide our Services. We do not share Biometric Data with any other third parties.

We do not sell, lease, trade or otherwise profit from your Biometric Data.

How will you protect my Biometric Data?

We use industry standard security safeguards to store and protect your Biometric Data, in accordance with our [Privacy Notice](#). Unless required by law, once your identity has been verified, we will delete your biometric data from our systems within 30 days.

The location of Biometric Data storage is based in Australia. If you reside in a different country from our processing location, we may transfer your Biometric Data for the purpose of completing the identity verification, in accordance with our Privacy Notice and applicable privacy laws.

What are my rights?

If you choose not to consent to biometric identity verification, we will not be able to process your application or provide you with verification results.

You can also:

- revoke your consent to the processing of your Biometric Data,
- request a copy of your Biometric Data,
- request corrections to your Biometric Data, and
- request deletion of your Biometric Data,

at any time by contacting us at apac-privacy@certn.co.

If you require more information about the nature and scope of your data processing, please contact us at apac-privacy@certn.co.
